

TRAVEL THERAPY

The Career Option You Can't Afford to Overlook

NO **Myth:** Permanent Therapists have a similar compensation & benefits package to Traveling Therapists.

YES **Reality:** The compensation & benefits package for a Traveler is substantially higher than that of a Permanent Therapist.

NO **Myth:** Travelers are obligated to long-term contracts and haven't a say regarding locations and settings.

YES **Reality:** Permanent Therapists are often obligated to sign annual contracts to be eligible for relocation and sign-on bonuses. Travelers are only obligated to Advanced Medical for 13 weeks, are guaranteed 40 hours, and still eligible for bonuses.

NO **Myth:** Working in one place for a long time looks good on your resume.

YES **Reality:** Facilities know that Travelers are exposed to diverse patient populations and gain significant knowledge from interacting with various clinical teams on each assignment.

Advanced Medical is a travel therapy company that strives to find the right fit for you clinically, culturally, and financially. Advanced Medical focuses solely on the needs of rehab therapists, therefore we not only listen... we understand!
